October

For the month of October our class will be collecting Box Tops. All of 5th grade will be participating. The class

with the most box tops will get a pizza party on October 31st.

Make sure to hand them into your homeroom teacher

as you collect them.

We made it through the first nine weeks. So that means parent teacher conferences are almost here. I will be sending home a schedule for that evening for parents or guardians to stop by to pick up report cards and meet with me. PTC will be on October 25th. There will be not school on October 26th.

Fifth grade will testing the week of October 22nd - 26th. Please make sure you get plenty to eat. Go to bed at a decent time to get plenty of rest. Please try not to miss any days that week but if you do the make test will be scheduled at a later date.

We will be testing on the types of rocks we have learned about October 10th-

- Igneous
 - Plutonic
 - From cooling of magma
 - Volcanic
 - From cooling of lava
- Sedimentary
 - Clastic
 - Chemical
 - Organic
- Metamorphic
 - Foliated
 - Non-Foliated

The school will be hosting a county fair on October 19th from 6:00- 8:00 p.m. Students may dress up. There will be stations set up throughout the school. Please consider sending a bag of candy to be given away that night as students play games. Admission is free. There will be a food vendor set up as well. I will send food prices home on separate sheet. Please come out and enjoy a night of fun!
