## ADDITIONAL INFORMATION FOR STUDENT WORK

Plagiarism is using someone else's work. If you use someone else's ideas without giving them credit for their hard work is Plagiarizing. Plagiarism can be copying someone's work or looking off your neighbor and/or using their ideas and calling them your own.

I, \_\_\_\_\_, understand what Plagiarism means and promise that I will always use my own words, and I will give credit to the author of the article when I use their work. If I plagiarize in any way, I understand that I will have to receive a ZERO on my work and will have to have a parent/student meeting with Mrs. Booth
