Have you played enough to know every aspect? • Did you try things that were wrong and/or unexpected	yes		
Did the software crash?		no	
Was the content appropriate? Did it meet the user's needs?	yes		
Were the screens appealing? • Color, items on screen, sounds ……	yes		The app has a cute look to all of the bubbles that surround the main idea. Besides the main map thing, there is not a lot of color or appealing things. The app does not make any sounds.
Is it easy to navigate?	yes		It is a very simple app
Is it easy to learn?	yes		Very easy
Does the user need Supervision to use		no	There is not a lot you can do on this app. Nothing is concerning.

If the App required a response, was it appropriate? (right or wrong)	yes		There was not anything bad or wrong with this app.
Were there bells and whistles? • If so, do they enhance instead of detract? • If not, should there be?	no		We think there should be a sound when a student puts a new bubble down to make the app fun.
Did you like using the App?	yes		It is so easy to use. Common sense.
What was the cost? • Was there a "lite" version ○ If so, was it enough		Free	
Were there in-app purchases? • If so, what were the additional costs?	no		The app dos not say that there are any in app purchases and we didn't see anything on the app store reference.
How does it compare to other apps that do the same?			The only other app we have seen like this is Inspiration. This app is basically the same thing but a lot more simple to use.

			We really like this app and can see how it can be used in the classroom. The app says that it is recommended for children ages 4 and up. This could be a great app to use in an elementary classroom to create lessons.
