

# VPod Storyboard

## background information:

- from cabot, arkansas
- one brother, parents are divorced
- played soccer whole life
- graduated with honors in 2017 with a class of 750 classmates
- always wanted to teach, asked for teacher supplies when i was younger

## hopes and dreams:

- to become a teacher
- CASA advocate volunteer - have a voice for children in the court who need a voice to step up and say when something isn't right
- involved in a church
- stay in jonesboro
- family when the time is right
- go back to school to get higher degrees where needed

## philosophy:

- open classroom; everyone is equal and has the same right to learn
- fun classroom; learning will be engaging in fun
- i love watching students understand something new, and i enjoy it even more when they enjoy what they learn
- disciple will be strict; but with love
- no tolerance bullying policy
- i want to embrace every students different life and learning needs and base my teaching instruction, methods, and approaches based off their needs

## technology with students:

- it is positive; if it used correctly
- not too much is needed, but i do not want to little
- integrate in lessons and learning, but also allow free play learning

## technology for me:

- use to be organized
- create lessons
- events

## quote: "treat others how you want to be treated"

- you never know what someone is going through
- smile, be kind
