Lesson Synopsis: Students will be split into groups of 5 for this lesson. Each group will be given a specific country. The groups will spend time researching Christmas in their country on the iPads. Once the students have gathered information about their country, each group will create a Padlet. There will be a minimum of 10 things posted on the Padlet. The group will then take the information they have gathered and placed on Padlet and turn it into a Google Slides presentation. Each group will present what they have learned about their country's Christmas traditions, celebrations, and beliefs at the end of the day.
