

Acceptable Use Policy in Ms. Hicks' Classroom

- Classroom Rules

- We will be kind and treat everyone with respect.
- We will raise our hand to ask questions.
- We will stay on task.
- We will wear our masks correctly.
- We will keep our workspace clean.
- We will always do our very best work.
- We will follow any directions given by the teacher.
- We will help our classmates remember these rules.

- Technology Rules

- We will not eat or drink near technology.
- We will be gentle with the technology
 - Ex: Use both hands when we carry the iPads.
 - Ex: We will not tap hard on the screens or keyboards.
- We will always stay on task.
 - Ex: Don't stray away from the assignment.
- Only use your device. Don't let others use your device.
- When it's time to put away technology, do so immediately.

- iPad Rules

- We will only work on our assignments on our iPads.
- We will not take pictures with our iPads.
- We will not go on the internet without permission.
- We will not play games on the iPads unless told to do so.
- We will not download extra apps onto our iPads.

- Addition Information

- In this classroom, we will make sure to not take credit for someone else's hard work. This is plagiarism.
- If you borrow work, we will make sure to give them the credit. This is fair use.
- Copyright laws are forms of protection given to the authors or creators of something.
- We will use our own thinking caps when doing our work.

- Consequences

- You lose it when you abuse it.
 - If you misuse your iPad, you get no free time on the educational games that day.
- If you aren't kind to your teacher or classmates, you will automatically get one day of no recess. Bullying will not be tolerated in this classroom.
- Any other rule broken will be given a warning first. The second offense will be an automatic office referral.
