

If You Give A Cat a Cake

By: Alyssa Foster

If you give a
cat a piece
of cake, he
will want
another.

If you give a Cat
a piece of Cake
he will want
some ice Cream
to go with it.

Man I wish I had
some
sprinkles.....

If you give a Cat a
piece of cake with
ice cream he will
will remember
when his mom
made him ice
cream with
sprinkles. So he
will ask you for
some sprinkles.

I want to eat
this outside!

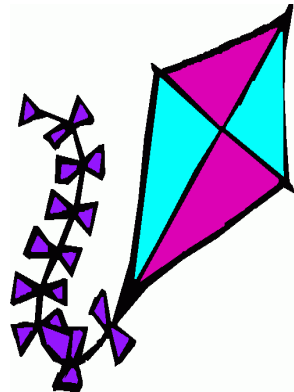

After you find
sprinkles and
put them on
his ice cream,
the cat will
want to go
outside with
his piece of
cake and ice
cream.

After you take the cat outside with his cake and ice cream with sprinkles, he will want to go fly a kite.

If you give a Cat a
Cake with ice Cream
and sprinkles and
take him outside to
fly a kite he will want
a picnic to go with it.

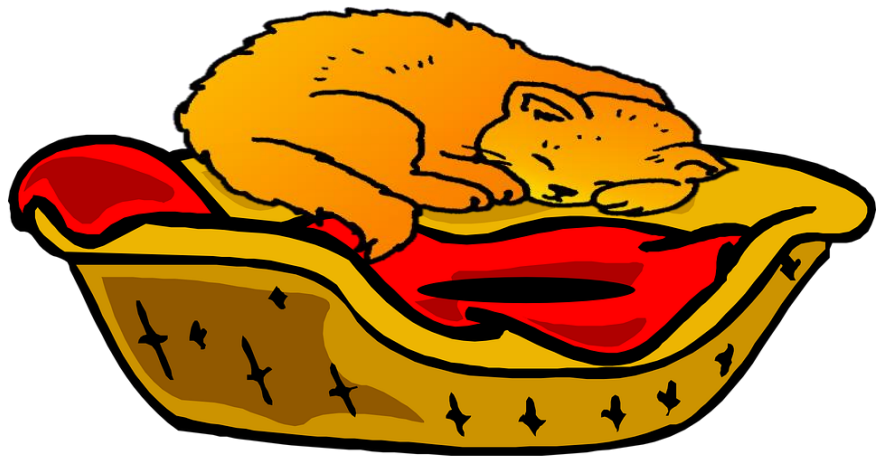

If you give a Cat
a piece of cake
with ice cream
and sprinkles
and take him
outside to fly a
kite with a
picnic he will be
tired and want
to go take a nap.

If you give a
Cat a piece
of cake with
ice cream
and
sprinkles
and take
him inside
for a nap he
will want a
story read
to him.

If you give a
Cat a piece
of cake with
ice cream
and
sprinkles
and take him
inside for a
nap with a
story he will
fall happily
asleep
