

## Mrs. Oldman's February Newsletter

**Dear Parents,**

**This month there are several activities you need to be aware of.**

**Our Valentine's party is on the 14th. I need to remind you of our school policy. Only parents/guardians can deliver flowers for your child. Balloons and glass vases are not accepted. I have listed on this paper what each student needs to bring. Plates, napkins, and plasticware will be provided. Also, students can bring valentine's cards to exchange to EVERYONE in the class. If your child is unsure of how many students, please be sure to have them bring extra. No candy please.**

**Please be sure to keep this newsletter because there are several important dates on it.**

**Thanks,  
Andrea Oldman**
