- **FRIDAY- ART**

Dear Parents:

Thank you so much for a great start to the school year! You guys are awesome! I have a few reminders:

- Please make sure you sign your child's behavior sheet daily.
- When your child reads to you, please write the title of the book and how many minutes in the given line. They earn Class Dojo points, which gets them rewards.
- Test are every Thursday and Friday. Please make sure your child gets enough rest and studies for the test.
- Since we are going over the rock process, if you and your child go out and come across "cool" rocks, send them and we'll talk about where they came from. This will help them get a better understanding of igneous and sedimentary rocks and be a fun project. Please limit 2 rocks per student.

- Please talk with your child about bullying. Our school is 0% tolerance.
- Homework is only when your child does not finish it in class. However, if you want me to send some home, please send a note and I will do so.

Again, you guys rock! Thank you so much for all you do at home to work with your child. If you have concerns, please don't hesitate to contact me.

Andrea L

Oldman
