Mini Lesson #2

## **Mini Lesson #2**

1) Grade: 3<sup>rd</sup>

Curriculum: Math

Tools: Prodigy Math and IXL Math

Synopsis: Students will go to IXL and click on math. Students will complete the section assigned individually so progress can be kept track of. Afterwards, students will go to Prodigy Math and start where the students have previously left off from a time before. Students will work individually on math problems but can work with peers during the game break periods.
