Mini Lesson 3

Mini Lesson #3

- 1) Grade: 3rd
- 2) Curriculum: Science
- 3) Tools: EdPuzzle and Kahoot

Synopsis: Students will go to EdPuzzle and watch the instructional video uploaded over the Life Cycle of Plants and answer the 3 questions at the end of the video. Afterwards, students will then go to Kahoot! To do a quiz over the Life Cycle of Plants. All work is to be done individually.
