Idle Human

- Version: Unable to find

- Publisher: Green Panda Games

- Target Audience: Age group would be 8-12 years of age.

- Curriculum: This app would fit perfectly into a science curriculum when learning about the body and its functions.

- Cost: The app is free to download, as well as every thing in the app was free.

- Describing the Software: This a great app that keeps students entertained while learning. Students are able to preform the simulation game and create a virtual human while learning facts about the body.

- Impressions of the Software: Easy to navigate and explore.

- Pass: This software does pass because everything inside the app was informative and educational without supervision.
