Kahoot

- Version: 3.6.4

- Publisher: Kahoot AS

- Target Audience: Targets all ages. Used as a teacher tool, teachers can create all lessons to be age appropriate

- Curriculum: This app can be used for all curriculums since it is a create your own.

- Cost: The app is free to download and there is a subscription but the subscription may not be needed considering the lite version allowed us to do many things.

- Describing the Software: This a great app that keeps students entertained while learning specific things related to the teachers lessons.

- Impressions of the Software: Easy to navigate and explore. The 'lite' version gave plenty of abilities that were needed.

- Pass: This software does pass because everything inside the app was informative and educational without supervision and could be made to be used how the teacher needed and wanted.
