
Kids Planet Discovery

- Version: 3.9.1
- Publisher: Planet Factory Interactive S.L.
- Target Audience: Age group would be 4 years and up. This app is full of interactive games. They all have to do with earth and outer space.
- Curriculum: This app would fit perfectly into a science or social studies curriculum.
- Cost: The app is free but does include in app purchases. They are not necessary though to play the games.
- Describing the Software: This is a great way to let the students have fun playing a game while they really are learning about science and social studies.
- Impressions of the Software: This app is a great kid-friendly way to introduce earth and outer space.
- Pass: This software does pass because everything inside the app was informative and educational without supervision.
