Math Problems

- Version: Unable to locate

- Publisher: Kessaree Jandee

- Target Audience: Age group would be 4 years and up.

- Curriculum: This app would fit perfectly into a math curriculum but will be best used for drill and practice.

- Cost: The app is free to download with no in app purchases.

- Describing the Software: This a great app to help students learn and memorize their math facts.

- Impressions of the Software: Easy to navigate and explore.

- Pass: This software does pass because everything inside the app was informative and educational without supervision.
