
Online Pianist

- Version: Unable to locate
- Publisher: OnlinePianist N.T LTD
- Target Audience: Age group would be 4 years and up.
- Curriculum: This app would fit perfectly into a music classroom curriculum or with students that need to take a second and relax.
- Cost: The app is free to download, but doesn't offer a lot that is free. With the lite version we only could view 3 free songs, but if you purchase the app its 59.99 per year.
- Describing the Software: This app is great for beginners learning how to use the piano.
- Impressions of the Software: Easy to navigate and explore. The 'lite' version is super lite. There isn't a whole lot of options with the free version except for 3 free songs and whether you were a beginner or a pro.
- Pass: This software does pass because everything inside the app was informative and educational without supervision.
