
Splice Movie Creator

- Version: Unable to locate
- Publisher: Bending Spoons Apps IVS
- Target Audience: Age group would be 4 years and up with a recommended age of 7-11.
- Curriculum: This app would fit perfectly into any curriculum that the lesson was used to create movies.
- Cost: The app is free to download, but does offer a lot during a seven day trial. To continue using the app it is 2.99 per week.
- Describing the Software: This a great app that guides students through the movie creating process.
- Impressions of the Software: Easy to navigate and explore. The 'lite' version doesn't last more than 7 days.
- Pass: This software does pass because everything inside the app was able to be used to create informative movie projects.
