

## **Mrs. Puckett's Affix Activity**

- Students will be given 2 sheets of colored cardstock.
- One sheet will have Root words attached by sticky notes.
- One sheet will have Affixes (Prefix & Suffix) attached by sticky notes.
- Students' root words and affixes will vary.
- Students will use these to create and define the words based on the prefix or affix they chose to attach to a root word.
- Students will write words & definition on a piece of notebook paper for class sharing/discussion at the end of activity.
- Students will learn how affixes affect both word development and the breakdown of words.
