

Dear Parent/Guardian, I have developed an Acceptable Use Policy for my classroom. This is a set of rules to follow during their time with me. This includes different topics of rules including: Basic classroom rules, technology rules, and internet rules. This helps me keep balance and order in the classroom. I would like to suggest this very beneficial document to put in your home! This will help the student realize that are certain behaviors and rules acceptable in the classroom, as well as at home. I have created a template for your at home Acceptable Use Policy if you would like to use it! I am honored to start teaching and getting to know your child!

Thank you,

Ms. Tomlinson
