

Mini Lesson 5: Inspiration and Padlet

Grade Level: 3rd Grade

Curriculum Topic:

RL.3.2: Recount stories, including fables, folktales, and myths from diverse cultures; determine the central message, lesson, or moral and explain how it is conveyed through key details in the text.

Tools/Technology: For this lesson, I will be incorporating Inspiration and Padlet.

Synopsis: Students will get into groups of three to four and read the assigned story including fables, folktales, and myths from diverse cultures. While they are taking turns reading, the students will work as a group to make annotations of the key details they find. They will then create individual Inspiration documents that include the central message, lesson, or moral of their story and use the key details as support. Students will then put this information into Padlet and create their own boards that summarize the main theme of the story.
