Developmentally Appropriate

Questions	Yes	No	Comments/ Notes
 Child Development and Learning Subject Matter appropriate? Educational Focus? Provides for Learning New Content? Follows Appropriate Teaching Sequence? 	x		The subject matter was appropriate and it allows the user to create any comic they want. There isn't opportunity for learning new content, but this would be a great way for students to create a comic based on something new they learned in class.
Individual • Does it match individual's abilities? • Does it meet individual's needs?	x		This app matches individual's needs and abilities because it can be altered to adapt to any student at any grade level for any assignment. The students have a template comic strip, but they can add whichever characters and phrases they want.
Social/Cultural • Bias? • Commercialism Comments		x	There is no bias in the app since all of the characters are aliens and dragons.
