

# Where do I live?

By: Britney Hunt

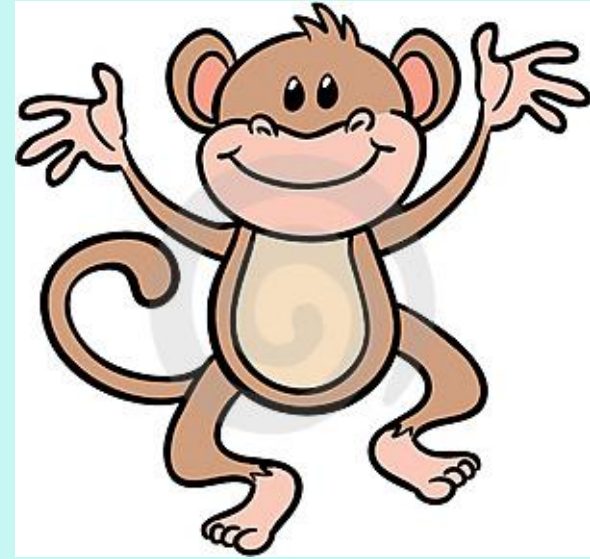

I am a Siberian Tiger and I live in Northern, cold areas.

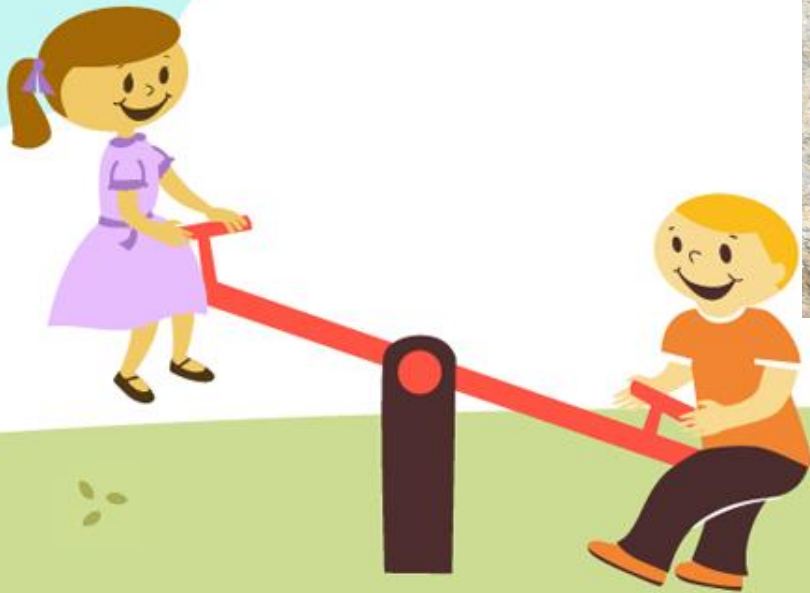

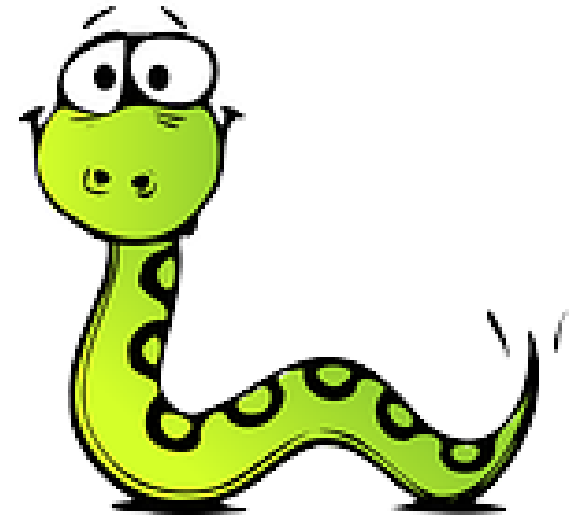

I am a Penguin and I can be found in the  
Antarctica.

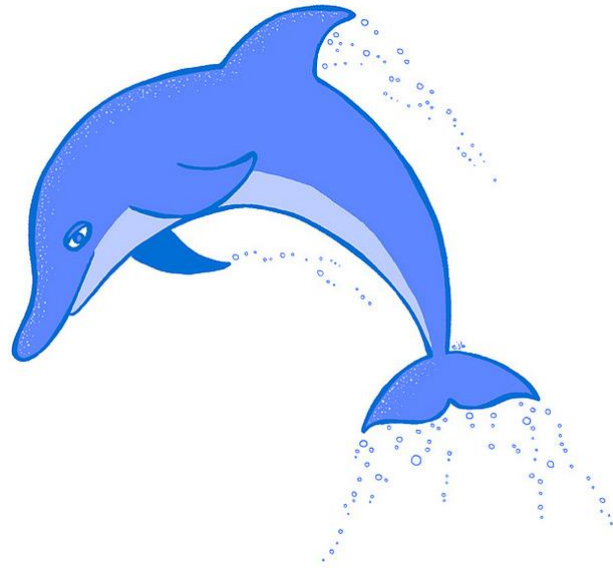

I am a Monkey and I live in the Jungle.

I am a snake and I can be found in many habitats. I like the water, forests, deserts, and prairies.

I am a dolphin and  
I live in Ocean.

I am I Rhino and I live in the grasslands and the floodplains of Eastern and Southern Africa.

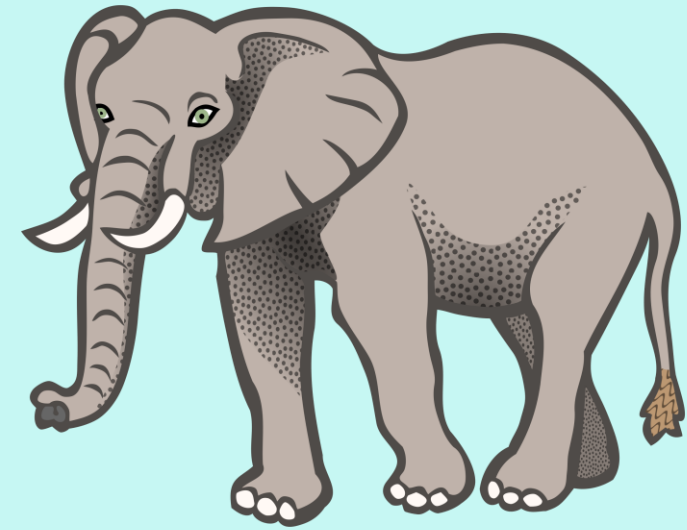

I am a deer and I live in grasslands, prairies and plains, mountains, and forests.

I am a elephant and I live in sub-Saharan Africa.

I am a Bald Eagle and I live in North America,  
Alaska, and Canada to northern Mexico.
