## Thank you!

I want to thank everyone who made our Halloween party such a success! This was such a fun time for our students!

## Homework:

November is a month to reflect on what we are thankful for. Before the students get out for Thanksgiving break, I want you to discuss at home things we have to be thankful for. I would like for the students to write me a short paragraph about this. I feel like it is important for students to be able to reflect on the many things we have to be thankful for!

## A note from Ms. Nahlen:

I am so proud of how hard my students are working! I am blessed with a classroom full of caring, creative, and smart students! I can't believe it is already November! I look forward to seeing how much our class learns this month!
