

**Grade Level:** 1<sup>st</sup>

**Topic Addressed:** Spelling

**Tools Needed:** Osmos Word Game, iPad, PC (1 per child)

**Standards Used:** RF.1.3.F Decode two-syllable words following basic patterns by breaking the words into syllables

**Instruction:**

Minutes	Instruction (Synopsis)
20	<p>I will split the students into groups of three, and give each group a word game and an iPad that is already set up for the students to play. Two of the students will be playing the game and spelling words, and the other student will type the words that the students spelled correctly.</p> <p>They will switch turns after spelling 3 words, either incorrectly or correctly. The students will choose who goes next, and if there are any conflicts I will step in and help them decide who will play next.</p> <p>They will do this the whole time, and once time is up we will clean up our areas and move on to discuss the words they spelled, and if they enjoyed the game.</p>
