

Spooky Season Is Here!

Flu Season Is Approaching

Flu shot clinic at school September 28-October 9. Free of cost, your child will receive a paper to bring home for parent's signature. If you have not received a paper with details of the clinic, call the school and we will send home another paper. If you want your child to receive the flu shot be sure to send the signed form to school with them.

Don't forget your flu shot!

Canned Food Drive

It is that time of year again! If you have any cans around

the house that you could donate, please send them to school in your child's backpack. The class that collects the most cans will get a pizza and movie day!

Packing Backpacks For Christmas

There will be one student from each grade chosen to receive gifts donated by their peers. If your child has any old toys, clothes, jackets, or anything that could be donated for a child that will not get a Christmas this year, please donate. The children will not know who has been chosen, and this will make the chosen student's Christmas feel like Christmas. We will be taking donations from now until the last day of school before Christmas break. You may drop off the donations at the front office, or you can

put them in your child's backpack and I will take them to the donation box. Anything donated will be appreciated!

Parent Night

We will be hosting a parent night October 13th at the primary gym. You may drop your child off and go on a date night, or just have a night to yourselves! We will have food and snacks, and plenty of games for your children to play. You may also choose to stay to enjoy the fun as well!
