

Mrs. Stephens' Weekly Class Newsletter

Counting Beyond Twenty

Before now, students have been practicing counting up to the number twenty. Tuesday, we will start counting beyond twenty starting with numbers 21-30. Try to get your child excited about numbers this week!

Color Wheel Project

On Monday we will play the color wheel game. Students will be divided into teams and each team will receive their own color spinner board. Teammates will take turns spinning the wheel and record the color they land on. Once each team member has had 5 chances to spin, Mrs. Stephen's will help enter each student's data into our smart-board chart and the class will count numbers of each color and look at comparisons together.

Who Am I?

Last week, we sent out a form to all parents so that they could ask their children questions and fill in their answers for them. On Wednesday, we are going to discuss these answers in class. We will play the game Who Am I, where Mrs. Stephen's will read a student's information sheet aloud to the class and saying things like I am an only child, my favorite color is blue, I love riding my bike, and my mom's name is Beth, who am I? Students will then try and guess who the teacher is describing!

Coming Up This Week

- Monday- Color Wheel Project
- Tuesday- Counting Beyond Twenty
- Wednesday- Who Am I?
- Thursday- Music Program

Thanksgiving Music Program

Parents please plan to attend your child's Thanksgiving Music Program this Thursday at 2:00 p.m. in the school cafeteria. We would like to suggest that parents arrive a few minutes early so that everyone gets settled before we start bringing in other students. Please sit in the "Reserved for Parents" section.

Field Trip

Students are excited to be traveling to Beggs Family Farm this Friday. We leave school around 9 a.m., if you are a parent volunteer please arrive 30 minutes prior. There will be a sack lunch provided. Students can expect fun games, playgrounds, corn mazes, and pumpkin picking! Buses should arrive back on campus by 2:30 p.m.
