

Mini Lesson- Alphabet

Grade Level: Kindergarten

Curriculum Top: Letters of the Alphabet

Tools Used: Bee Bot and PowerPoint (eBook)

Synopsis: In this lesson, students will be learning the letters of the alphabet. As a class, students will view each letter in an eBook presented by the teacher. Students will practice saying and writing each letter that is in the eBook. Next, the teacher will divide the class into groups of 3 or 4 to practice letters with Bee Bot. They have to program Bee Bot for him to draw out each letter discussed in the eBook. Each person from the group should get a turn to give Bee Bot directions.
