

ATTENTION PARENTS!!

Mrs. Stephen's Kindergarten class will be doing a bottle cap project for our big counting and comparing lesson coming up! From September 17th-October 1st, 2018, students will bring in bottle caps of any type from home. This may include soda caps, milk jug caps, or juice caps. Please ask the rest of your family and friends to help your child gather bottle caps! Thanks for your cooperation! Happy collecting!
