			for the viewer. The point is for the viewer to learn vocabulary, but all this app does is look up definitions and give you an opportunity to put extra details in.
<p>What was the cost?</p> <ul style="list-style-type: none"> • Was there a "lite" version <ul style="list-style-type: none"> ○ If so, was it enough 			The app was free to use.
<p>Were there in-app purchases?</p> <ul style="list-style-type: none"> • If so, what were the additional costs? 			No in app purchases
<p>How does it compare to other apps that do the same?</p>			I have seen other apps that would make games out of the words you created.
<p>Additional Comments</p>			The app was very basic in nature, and while useful in finding definitions, it is not useful in making words memorable for viewers.
