## Plagiarism

Plagiarism is when you take words, answers or thoughts from others and pass them off as your own. Plagiarism is not tolerated in my classroom and is a serious offence. Students will first receive a warning, but the second time will result in a meeting with the principal as well as your parent(s)/guardian(s).

## Copyright Information

When something is copyrighted that means that someone legally owns it and can decide who can use it and what they can do with it. If the work meets four criteria and falls under “fair use”, it is able to be used without the permission of its owner.

## Consequences

1<sup>st</sup> warning: The student will receive a verbal warning.

2<sup>nd</sup> warning: The student will spend recess at my side.

3<sup>rd</sup> warning: A note or phone call will be sent home depending on severity of the disruption.

4<sup>th</sup> warning: A meeting with principal and parent(s)/guardian(s) will be set up.

Parents,

Please sign and date this document after discussing it with your child. Here is to a wonderful year of second grade!

Thanks,

Mrs. Cassidy
