

## Election Day

Grade Level: 2<sup>nd</sup>

Curriculum: Social Studies C.2.2.4 Use listening, consensus-building, and voting procedures in the classroom

Tools: BrainPOP & Poll Everywhere

Synopsis: I would begin this lesson by having my students watch a video over voting on BrainPOP. After we have finished the video, we would talk about the two books we had read that week. I would have students to discuss their favorite out of the two and then they would use Poll Everywhere to cast their vote and we would watch the results of the election in real time.
