

You are Invited to XYZ School Science Fair!!

When: October 25th from 4-6pm

Where: XYZ School Auditorium

Please RSVP for spacing: 501-555-2923

Come See the awesome projects that your kids have
been working so hard on!

We have projects from Rainfall in Major US Cities to
The Weight of Matter Conservation!

Your student is excited to show you their hard work
and Science skills. There will be presentations every 10
minutes from each grade class.

Cookies and Punch to follow presentations with a free
walk-about to see individual presentations.

We want to see you there! Call the front office for
more information, or email your
student's teacher.
