

Mini Lesson 2

1. 4th Grade
2. Language Arts (Vocabulary)

RI.4.4 Determine the meaning of general academic and domain-specific words or phrases in a text relevant to a Grade 4 topic or subject area.

3. Class iPads: Students will pair the iPads with Osmo

Osmo(Words): Pair iPad with Osmo Words to play word battle

4. In this lesson, we will use the iPad and Osmo words app to review vocab words. I will have the class get into pairs and turn the iPads and Osmo to word battle mode. This game will help the students think fast about their vocab words and use their brain to brush up their memory of vocab words. When one person wins a battle, then they will play another winner until there is only one winner left in the whole class. This will be used as a review.
