Acceptable Use Policy for Parents

Household Rules

- 5 basic rules for behavior inside the home

Responsibilities

- 5 basic responsibilities for children to carryout
- Can be things like brushing teeth or reading 5 pages before bed. Does not have to be chores

Technology Rules

- 5 basic technology rules for your child to follow

Consequences

- A short list of appropriate consequences
- Do not focus on the punishment but on redirecting focus to what is expected of the child.

*This is a template like one I will have in the classroom. If implemented together this can be a great tool to keep children accountable for what is expected behavior, their responsibilities as a part of the household or classroom, and the consequences they will be subject to if the policy is not upheld.
