Plagiarism

It is important to know exactly what plagiarism is. It is the practice of taking someone else's work and passing it off as your own. This is essentially deemed as stealing. However, some documents can be used through the Fair

use policy. It grants the access of brief pieces of copyrighted material to be utilized for special purposes with consent. Copyright information is the legal right given to the creator. It lets them determine if they would allow others to copy or use their body of work. More information available on the website.

Consequences 3 Strikes

1: Take a Break 2. Removal of Privileges 3. Phone Call Home/Conference
