

Welcome to Mr. Elliott's 3rd Grade Class

Classroom Rules

- 1) Respect others when they are talking by waiting your turn.
- 2) Hands, feet, and other objects will be kept to yourself.
- 3) Stay on task. (This includes working alone and with others)
- 4) We will show respect for others' opinions, ideas, and pronouns.
- 5) We will have positive vibes this year.

Technology Rules

- 6) We will not have snacks or drinks at our desks when our computers are out.
- 7) Computers need to go back in the correct slot to be charged. (example: computer #3 will be put in slot marked #3 and plugged in)
- 8) We will only touch our own assigned computer.
- 9) When the teacher tells us to put away our computers, we will logout, turn off, and orderly put our computers away.
- 10) We will not write on our computers.

Internet Rules

- 11) Cyberbullying will not be tolerated.
- 12) We will credit those whose work we use.
- 13) We will not abuse our privilege of being allowed on the internet.
- 14) While on the internet, we will use it to educate ourselves on what we are learning in class.

15) We will not go to inappropriate sites.

Plagiarism

Plagiarism is when we use someone else's work and say it is our own, copying a friend's homework, and asking someone to do something for us and saying it is our own. These are just a few examples of what plagiarism is. For more information, check

Consequences

1. Not following the rules will result in a verbal warning on the first strike.
2. Second strike is an office visit.
3. Third strike is a parent/guardian notification.

Responses may vary depending on the severity of the action.
