## Staying Safe

During this stressful time, we are taking several extra precautions to make sure our students are safe. We are lucky enough to have few enough students that our desks can remain six feet apart. All high-touch surfaces are sanitized thoroughly before our students get to school, after snacks, and after activities. All teachers and students are required to wear a mask when entering and exiting buildings, during class, and while riding the bus. Students are allowed to remove their masks to eat lunch and snacks that are provided and brought to the classroom.

## Donations

While we manage to provide for our students and staff, any donations to help keep our students and staff safe and clean are always welcome. Listed below are the items we use regularly.

- Hand sanitizer
- Paper towels
- Cleaning wipes
- Tissues
- Disposable masks

Please send any money with your student in a labeled envelope placed in their folder on the return side. The book fair will remain open after school until 6pm if you would like to purchase anything at a later time.
