

## Lesson Plan Idea Format

**Grade Level & Subject Area: Grade 4 English**

**Standards/Framework (State Standards, Content Standards, InTASC Standards)**

W.4.1 Write opinion pieces on topics or texts, supporting the opinion with reasons and information.

**Theme/Series of Lessons (if Not applicable, put N/A. If it is part of a series, of lessons, tell me, give a BRIEF description of the overall and tell me where this particular lesson fits): n/a**

**Time (is this a 1 day 50 minute lesson, 5 day 1 hour lesson, once a week over a month lesson....): This is a 5 day 1 hour lesson.**

**What do the students already know? (This could be the Intro or they have learned information before starting this lesson): The students already know how to write a traditional intro/body/conclusion paper.**

**Objective (What are the students' going to accomplish):**

**The students are going to write a paper explaining their opinion on an age appropriate topic and back up their ideas with research.**

**Materials: Paper, Pencil, Ipad, lucid chart app**

**Procedure:**

**Day 1 I will introduce a topic to the class. Then, they will decide whether they agree or disagree with the topic. They will research the topic and find support for their opinion.**

**Day 2 They will use lucid chart to organize their ideas.**

**Day 3 They will write a rough draft explaining their opinion on the topic.**

**Day 4 They will edit/revise their peers' rough drafts.**

**Day 5 They will write their final paper explaining their opinion on the topic.**

**Assessment (How will the students' show you that the objective has been met):**

**(Note: the assessment does not have to be a paper and pencil test)**

**I will look at their papers and grade with a rubric. I will make sure they stated their opinion, gave examples of support (that they researched), and organized their paper into paragraphs. I will also look at their lucid chart to see how they planned for their paper.**

**A Brief Description Of The Entire Lesson - Plus Any Additional Information to be Included: Students will be introduced to a topic. They will decide their opinion on the topic and research the topic. They will organize their ideas with lucid chart. Then, they will write a paper explaining their opinion on the topic. Students will peer review each other's papers. They will write a final copy.**

**(I should be able to see and understand your entire lesson by reading this. Remember, Technology is not the lesson. It enhances the lesson)**
