

Title Sushi Monster (Drill and Practice)

Evaluators Robin, Emilee

Questions	Yes	No	Comments/ Notes
Have you played enough to know every aspect? <ul style="list-style-type: none">• Did you try things that were wrong and/or unexpected	x		
Did the software crash?		x	
Was the content appropriate? Did it meet the user's needs?	x		There are addition levels and multiplication levels.
Were the screens appealing? <ul style="list-style-type: none">• Color, items on screen, sounds	x		
Is it easy to navigate?	x		
Is it easy to learn?	x	x	Because it is drill and practice, there is no new content being learned, but it would be helpful to students who have learned their addition facts to get faster and recognize patterns.
Does the user need Supervision to use		x	
If the App required a response, was it appropriate? (right or wrong)	x		The animation of the monster when you got the answer wrong was kind of scary. May not be good for all kids, especially younger ones.
Were there bells and whistles? <ul style="list-style-type: none">• If so, do they enhance instead of detract?	x		There is a timer that you can turn

<ul style="list-style-type: none"> If not, should there be? 			on or off, cute animations, a number sentence and a scoreboard.
Did you like using the App?	x		
What was the cost? <ul style="list-style-type: none"> Was there a "lite" version <ul style="list-style-type: none"> If so, was it enough 			It is free.
Were there in-app purchases? <ul style="list-style-type: none"> If so, what were the additional costs? 		x	
How does it compare to other apps that do the same?			It is very typical of math games.
Additional Comments			You can reset the game to the beginning at any time. We wish there was subtraction and division, so that the game can be played by students at all levels. There were no ads, no website links, etc. so it is very kid friendly.

Developmentally Appropriate
