

Ms. Emily's Acceptable Use Policy

Classroom Rules

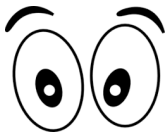

Be kind

Always be kind to your classmates and your teacher at all times.
Treat others how YOU want to be treated.

Raise your hand

If the teacher is talking, you are not. Raise your hand if you want to ask a question.

Eyes on me

Always have your eyes on me so that you know what to do!

Listening ears

If your listening ears are not on, you will not know what to do.

Gentle & helpful hands

Your hands should be gentle and kind to your classmates and Ms. Emily. Also, if you are done with your work, use your helpful hands to help a friend or pick up our classroom.

Walking feet

When we run in the classroom, someone will get hurt. No running!

Technology Rules

When all of your work is done, you may quietly choose an iPad, laptop or computer to have free time.

You must plug in your iPad or laptop every time you are done with them!

You must wear your headphones!

Wash your hands before you get on any kind of technology so that we can keep our things nice and clean.

Always hold your iPad or laptop with two hands.

Internet Rules

You are not allowed to download apps that Ms. Emily did not already download.

When you are on the Internet you cannot get on anything that Ms. Emily has not already showed you before.

If something weird comes up on your screen, come show Ms. Emily so that I can help you stay safe.

If all of your work on your laptop or iPad is done, come show Ms. Emily and then you can play a game.

You are not allowed to say mean things to your classmates or friends when you are on the Internet. We treat others how we want to be treated.

Additional Information

When you are on the Internet, you cannot copy anyone's work and use it for yours. That is **stealing!**

When you are researching and learning new things, you must put things you find in your own words. We cannot steal other people's words.

I, _____ promise to keep all of these rules to make my classroom the best it can be. I know that if I break one of these rules, I will face the consequences. Initial below if you understand and promise to keep these rules.

Student Initials _____ Date _____

I, _____ promise to go over these rules with my child at home as well. I understand that if my child breaks one of these rules, the consequences, in order, will begin to take place to ensure that the classroom runs to the best of its ability.
