

Acceptable Use Policy Template

Household Rules: (This can be any rules that you have in your household)

1. Example: Keeping the bedrooms clean

Household Rules Involving Technology: (This can be anything from my acceptable use policy, but you can also add more rules involving being at home rather than in the classroom)

1. Example: Do not give out any personal information to strangers

Consequences of Using Technology in a Negative Way: (You can rewrite your rules from above and give them consequences)

1. Example: Do not give out any personal information to strangers
 - a. Consequences: Phone taken away and must be in the same room as parents when using technology

Additional Information: (This is for anything you feel like you did not cover in your rules or consequences or anything you as the parent/guardian would like to expand on)
