

Jonesboro Elementary School Presents the annual:

SCIENCE FAIR

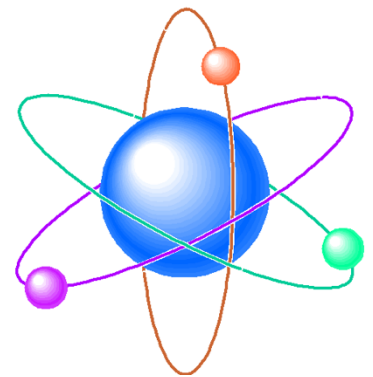

Friday, April 17th

Jonesboro Elementary School Gym

Doors open at 6pm

Jonesboro Elementary School would like to invite you to the annual science fair on Friday, April 17th at 6pm. The exhibit will feature individual students project as well as several class projects!

This year's featured experiment comes from Ms. Barnes' 2nd grade class! See what happens when you water beans with regular water, soda, milk, and orange juice!

We hope to see you there!!
