

# Ms. Heather's Acceptable Use Policy and Procedures

## **Classroom Expectations:**

- Bring your materials and be prepared for class.
- Be respectful towards everyone. Treat others the way you want to be treated.
- Use of acceptable language is a must.
- Be prepared to listen, this is one way we learn.
- Participation is key to success.
- Do not disrupt class for the students or teacher.
- Raise your hand

## **Technology and Internet Expectations:**

- Always treat your chromebook with respect.
- Do not use your pencil to type or draw on the computer.
- You are not to use your chromebook to search for anything inappropriate.
- Use appropriate etiquette, manners are a must.
- Cyberbullying of any kind will not be tolerated.
- The internet at school is to only be used for school-based work. Personal use will not be permitted.
- Cell phones are not allowed during school hours. If you choose to bring one, it must remain turned off and will be your responsibility.
- There will be a time limit on all technology. It will vary from subject to subject and will be clearly explained prior to use.

## **Classroom Consequences:**

1<sup>st</sup> offense: Verbal warning

2<sup>nd</sup> offense: Write up

3<sup>rd</sup> offense: Write up with detention

4<sup>th</sup> offense: Parent contact/Conference

Plagiarism of any kind will not be tolerated. There are many forms of plagiarism. Please familiarize yourself with the definitions of each. It is discussed in the handbook. Understand that there will be an automatic zero on any and all plagiarized work.

Please sign, date, and return the bottom portion.

-----

We understand Ms. Heather's Classroom Rules and Acceptable Use Policy. We also understand the consequences related to misuse of technology and chromebooks.
