

Hannah Bridger

Grade Level: 1st Grade

Curriculum Topic: Story Making

Tools: Dotstorming + Padlet

- Dotstorming will be used to be able to post the digital sticky notes this is where the brainstorming will take place for the story making. This is also where the idea will be voted from. Each student will be required to form 2-3 sentence about the topic that is voted on from Dotstorming.
- Padlet will then come in and each student will post their 2-3 sentences that they have formed on this tool. We will then read aloud the answers/sentences that were made over that topic making up a story.
