Title: Problem Solving Math Challenge (Problem Solving)

Evaluators: Hattie Madsen and Madison Shoukletovich

Questions	Yes	No	Comments/ Notes
Have you played enough to know every aspect? • Did you try things that were wrong and/or unexpected	X		
Did the software crash?		X	
Was the content appropriate? Did it meet the user's needs?	X		This app is great for users to practice math skills.
Were the screens appealing? • Color, items on screen, sounds ……	X		This app is appealing and is very colorful. This app, also, has sound effects such as a timer.
Is it easy to navigate?	X		
Is it easy to learn?	X		
Does the user need Supervision to use		X	
If the App required a response, was it appropriate? (right or wrong)	X		This app has a response time which allows students to see if they got the answer correct or not, however, the app does nothing

			when you get an answer wrong except allow the students to keep guessing.
Were there bells and whistles? • If so, do they enhance instead of detract? • If not, should there be?		X	This app should have more bells and whistles. This app has sound effects but I feel there could be better enhancements.
Did you like using the App?	X		
What was the cost? • Was there a "lite" version o If so, was it enough		X	This app was free!
Were there in-app purchases? • If so, what were the additional costs?		X	
How does it compare to other apps that do the same?			This app allows users to practice math skills with the use of a timer. I feel as if there is probably better apps that have been created when compared to this specific one.
Additional Comments			N/A

Developmentally Appropriate

Questions	Yes	No	Comments/ Notes
Child Development and Learning • Subject Matter appropriate? • Educational Focus? • Provides for Learning New Content? • Follows Appropriate Teaching Sequence?	X		This app focuses on educational mathematical operations such as addition, subtraction, division, and multiplication!
Individual • Does it match individual's abilities? • Does it meet individual's needs?	X		This app allows users to work at their own pace depending on their own personal abilities and needs.
Social/Cultural • Bias? • Commercialism Comments		X	This app is not social/culturally biased and uses little characters instead of people.
