

March Newsletter

AR Reading

To encourage our students to reach their AR goal, the first 5 students to meet their goal this month will be rewarded with special prizes. In addition, any book that is read after the goal is reached will be rewarded.

Math Marathon

Students will be coming home with Math Marathon sheets. This is a great way to help children with math fluency and at the same time raise money for a great cause. Please take a moment to read the instruction, fill in the permission slip, and return it signed to school.

Special Thanks

Thank you to all the wonderful parents who came to the science fair and helped out to make the science fair this year a great success.

Important Dates

March 8	Daylight Saving
March 12	Class Picture
March 20	Science Fair
