1:00				12:00-1:30	Early Dismissal@1
2:00			English Test		
3:00			1:30-2:00		

## *Why are We Testing*

Every school is required to annually test all students in English, writing, math and science. These tests will show us how ready the students are for the real ACT test. The results will also be used to see if any student needs extra help in a particular subject. Test results will be sent home at the beginning to the next school year.

## No Signing-Out

Please make sure your child attends all tests during this week. Signing-out will not be allowed during testing times, as this will disturb the whole class. However, signing out will be allowed after the tests scheduled times, as indicated in the above table. Please note that Friday is early dismissal at 1:00.

## Being prepared

- In class, we had many practice tests so that students are familiar with tests format.
- Students have study materials in their folders for more revision.
- I have sent an email with websites for extra practice.
- Students could go through any previous assignment on google classroom if needed.
- Students and parents can contact me by email any time if there are any questions.

## **Maximize your child's performance**

Make sure your child gets enough sleep the night before the test. Eating healthy has a huge effect on test results. Getting enough sleep and eating many fruits and vegetables is the way to go.
