

# Friday Facts

## Top things learned this week

Every week we come together as a class and review the top concepts learned that week successfully as a class I always like to add them in the newsletter so they can too see their accomplishments in writing.

1. Different about types of ecosystems
2. How to skip count by 5's
3. How to share with our neighbors
4. How fast a cheetah can run
5. How to spell "through"

## Daily Card Recap

If a student misbehaves or is acting inappropriate then the card system is utilized. Green means they were good all day, yellow means they had a warning for an act they did and red means that serious actions were taken. Each day we restart as I like to give each student a fresh opportunity to better themselves! At the end of every week I have them color the correct box they received on that day.

April 8- 12 Daily Card Recap				
MON	TUES	WED	THURS	FRI
Green	Green	Green	Green	Green
Yellow	Yellow	Yellow	Yellow	Yellow
Red	Red	Red	Red	Red

## Upcoming Events Next Week
