Title: IXL

Evaluators: Heather and Evyn

Questions	Yes	No	Comments/ Notes
Have you played enough to know every aspect? • Did you try things that were wrong and/or unexpected	X		There are lots of topics available.
Did the software crash?		X	
Was the content appropriate? Did it meet the user's needs?	X		The app would be great for any math or language arts needs.
Were the screens appealing? • Color, items on screen, sounds ……	X		The background is white, and the text is bright blue. It would be a little more attractive, but an overall, okay app in appearance.
Is it easy to navigate?	X		
Is it easy to learn?	X		The headings and subheadings make the app easy to learn.
Does the user need Supervision to use		X	
If the App required a response, was it appropriate? (right or wrong)	X		

Were there bells and whistles? • If so, do they enhance instead of detract? • If not, should there be?	X		There are different icons that make the app extra cute for elementary school kids.
Did you like using the App?	X		
What was the cost? • Was there a "lite" version ○ If so, was it enough			The app is free, but there is limited access.
Were there in-app purchases? • If so, what were the additional costs?	X		In order to have a subscription for the app, the user would have to request a quote.
How does it compare to other apps that do the same?			This app can be compared to Quizizz. It is much easier to read and navigate though.
Additional Comments			This app would be great to use in the classroom.

Developmentally Appropriate

Questions	Yes	No	Comments/ Notes
Child Development and Learning • Subject Matter appropriate? • Educational Focus? • Provides for Learning New Content? • Follows Appropriate Teaching Sequence?	X		The subjects are great for any selected age. Once topics and ages are chosen, the subjects will match perfect.
Individual • Does it match individual's abilities? • Does it meet individual's needs?	X		Meets the appropriate needs as long as the appropriate age and subject are chosen.
Social/Cultural • Bias? • Commercialism Comments		X
