

Coat Drive

Brookland Elementary will be competing against Brookland intermediate and High School to see which building can collect the most coats for donation. We do understand that the holidays are coming, and It may be tough enough to clothe your own but if you have the funds and find it in your hearts, we would love your participation! The coat(s) do not need to be anything high end or expensive, we are simply asking for it to be new/unworn. If you plan on donating to this cause please buy whichever size your child wears, if everyone that donates does this, we will end up with a nice range from the three school building. The students are so excited and really want to beat the “big kids” in this competition! If the elementary donates the most, the students will get to have an hour long, extra recess with cookie cake to eat! Feel free to email me with any questions are concerns!

**Goodluck Kiddos,
Ms. Smith**
